

ARCHITECTS & ENGINEERS PROJECT SPECIFIC

# Coverage highlights

Victor offers project-specific professional liability coverage with a focus on projects with up to \$300 million in construction values. Certain commercial, infrastructure, educational, healthcare, residential and mixed use projects are eligible for coverage.

## Target markets

- Architects
- Engineers
- Surveyors
- Landscape architects

## Program highlights

- Availability: In all 50 states, D.C. and U.S. territories
- Limit: Up to \$20 million (up to \$35 million for firms with revenues over \$5 million)
- Coverage: Admitted with an A rated carrier (non-admitted capacity available as needed)

## Coverage

Victor's project-specific offering provides a standalone policy option that dedicates coverage to a specified project through the design/construction lifecycle until to the date of substantial project completion.

Design-bid-build, design-build and other alternative delivery methods will be entertained for possible quotation. Extended reporting periods of up to ten years are also available.
