### Eligibility Guidelines

The above classes are eligible for all coverages in our Property/Casualty program.

Coverage options include Package Policies (small & mid-sized business), Commercial Auto, General Liability, Inland Marine, Workers' Compensation, and Umbrella

**Basic eligibility criteria include:**

- Firm must be operated by licensed professional and/or design professional consultants
- 51% of the firm's professional fees must be derived from the following:
  - Engineering or architectural designs, drawings, reports or other contractually specified professional services
  - Surveying services
- Less than 50% of the firm's total professional fees may be derived from a design-build exposure. Any risk with more than 50% design-build exposure may be referred to our A-rated carrier for further underwriting consideration.
